

MONDAY 3.10.2022

On Monday we spent the day at Karsby International School. First they showed us some of classrooms, cafeteria, the places where students hang out, library... then we had a welcome ceremony. It was very nice. The students were singing and dancing. Then they had some speeches. After that we introduce ourselves. At the end they showed us some dances and games that they play for Midsummer. After that we had lunch. After lunch we went to some lessons. We were making crafts out of wood, nails and yarn. I made a witch hat and it was fun. Then we prepared dinner. It was very good. After that we cleaned after ourselves. Then we went back to the hotel.

TUESDAY 4.10.2022

On Tuesday we ate breakfast at school again. Then we went to Skansen Outdoor museum. It was fun we saw a lot of animals. We sat down on some benches and ate packed lunch that we got at school. After that we went to Vasamuseum. We watched a short film about the ship and went around the museum and looked at the ship. When we finished in the museum we went to a shopping center and ate dinner in Ikea. Then we went back to the hotel. At the hotel we were hanging out with students from Hungary. And then we went to sleep.

WEDNESDAY 5.10.2022

On Wednesday we again ate breakfast at the school. Then we went sightseeing. We went to the old part of Stockholm. It was nice. We also went to the City Hall. The rooms were really big and beautiful, especially the Golden Hall. After that we ate our packed lunch. We also saw the king's palace and how guards change their positions. After that we went to Nobel price museum. I saw some interesting things there. When we finished with all museums we went sightseeing by ourselves. It was fun because we were with students from Sweden and they showed us some interesting things. When we finished sightseeing we went shopping, but I didn't really find anything interesting to buy. After that we met at Holiday Reasturant and ate dinner. It was very good, but I ate too much and then my stomach started to hurt, but at the end I was ok. After dinner we went back to the hotel. There we hung out with students from Estonia and Hungary. Then we went to sleep.

THURSDAY 6.10.2022

We ate breakfast at school, then the bus came to pick us up. We went to Lida accropark. It was fun and I really liked it. When we finished with that we went to lunch at Lida Vårdshus. I really liked it. After lunch we went for a short walk and we also saw a lake and it was beautiful. After that we went shopping at Skärholmen. It was ok, but then it started to be kinda boring because we were there for almost three hours. When we finished shopping we went back to the hotel. Near the hotel we had dinner. Then we went back to the hotel. There we hung out with students from Estonia and Hungary again. After that we went to sleep.

FRIDAY 7.10.2022

In the morning we had the last breakfast at school. Also we spent the day in school. After breakfast we went to the school gym and continued with presentations about old games and toys and also about national costumes. Then we had a lesson for music and it was fun. Then we had another class. It was spanish class. We played kahoot and there were also the students from the school with us in the classroom. That class was also fun. After that two classes we went to the school gym. There they were playing basketball and I was chatting with girls from Sweden, Hungary and my friend from Slovenia. It was fun. After that we had lunch and then we went to lesson, we finished the things that we were doing on Monday. Then we had farewell dinner. It was very nice and we watched the video about what we did that week. And I really liked it. Then we talked and ate. It was fun. After that we said our goodbyes to students from Sweden and went back to the hotel. We hung out a little with students from Hungary, Spain, Estonia and Turkey. Then we went to the rooms to pack and went to sleep.

I am really happy that I met all this people. I really enjoyed it and I hope that I'll get that kind of opportunity again.
